Café Musique

"Four very different musicians sharing a common vision"

From the Central Coast of California, Café Musique is known for their unique arrangements of gypsy, tango, classical, swing, waltzes and virtually anything else that captures their musical attention. Their penchant for bringing elements of classical and ethnic folk music together under one musical roof keeps audiences coming back for more. Featuring the talent of four accomplished musicians, all from very different musical backgrounds, the band's sound is a flowing collage of diverse musical styles.
